Join the LEADING Auto Parts show in Latin America and the Caribbean

With its Duty Free Zone, Panama is a strategic location for the Expo. Panama has a stable democratic government that is business friendly and counts with a strong currency (us dollars are accepted). Panama is an international air and ocean hub enabling travelers and cargo to reach Latin America, the Caribbean and most of the globe.

The global motor vehicle aftermarket is estimated at approximately \$395 billion. The Latin American and Caribbean markets have been growing at an impressive rate and the outlook is very positive for future increases in the new vehicle and aftermarket automotive parts industry.

We feel confident that the products and services that you will exhibit at the Latin Auto Parts Expo will hit your market target in Latin America and the Caribbean.
